October 2011

Hampton Cove Needs YOU!

We need interested and motivated individuals to run for a position on the HCOA Board. Five positions will be available for 2012. The term of office is two years. It is an honor and a privilege to serve your community and help maintain our beautiful and prestigious neighborhood. We request a short but informative Bio outlining your goals and qualifications for a Board position.

You can email your Bio to candidate@hamptoncove.com

The deadline for submission is the October 24th meeting and we request that you be present at that meeting to briefly state your interest. The Nominating Committee will present a slate of candidates to be voted on by the community in the near future.

Halloween Safety Reminders

Children Should:

Cross only at corners or marked crosswalks, never cross the street between parked vehicles, never go into a stranger's house, watch out for cars backing or turning, wear brightly colored clothing and use a flashlight.

Drivers Should:

Watch for children who forget the rules, use caution when traveling and obey posted traffic signs, especially in neighborhoods.

Parents Should:

Instruct children not to open candy until they return home. Inspect **ALL** candy for tampering. Adults should accompany children, discuss the route their children should be taking and explain the difference between tricks and acts of vandalism.

Homeowners Should:

Remove obstacles from lawns to avoid injuries and do not use candles in ornaments that could set a fire, close garage doors, and lock cars in driveways. Turn on all lights to guide those walking in the neighborhood.
