

# Be Aware, Be Involved, Take Action

This is a picture of the green at hole #9 on the Highlands Course.

Turfing, mailbox bashing, broken beer bottles— these are all problems happening on a weekly basis here in Hampton Cove.

We can be proactive in discouraging vandals!

- Turn on your outside lights
- Install motion sensors
- Lock your cars & gates
- Be aware of your property
- Stop your mail & newspaper if you will be away
- Use timers on your lights
- Write down tag numbers and descriptions of suspicious vehicles

Report to the  
non-emergency police at

## What is a Neighborhood Watch Program?

No one person or law enforcement agency can be aware of every situation that occurs in a neighborhood at all times. That's why neighbors are the best defense against crime! The goal is to help build strong neighborhood crime prevention networks. Crime and the opportunity for crime go hand-in-hand.

Neighborhood Watch programs reduce the opportunity for crime in your neighborhood. By implementing basic crime prevention techniques, watching out for one another and reporting suspicious activity to police, neighbors create a unified front against crime. This increases the risk to criminals and decreases the likelihood that a criminal will be successful.

Forming a Neighborhood Watch not only breaks down barriers and brings neighbors together, but it has proven to reduce crime in an area.

## The Huntsville Community Watch Association

<http://www.hsvcommunitywatch.com/>

The purpose of the Huntsville Community Watch Association is to promote the formation of community watch groups throughout the City of Huntsville and Madison County, to encourage citizens to assist the police department in combating crime, and to coordinate and cooperate with the police department in establishing rules and guidelines for community watch programs. We are always looking for volunteers to coordinate and patrol neighborhoods. Please go to the website or call the non-emergency police number for more information at 256.722.7100.
